ABOUT THE WEBINAR

Research is the systematic and objective process of gathering, recording and analyzing data for taking appropriate & meaningful decisions. It connotes patient study and scientific investment, wherein the researcher takes a more careful look at data to discover all that could be known more deeply about the subject under study. To keep pace with the recent advancement in any discipline, one has to be well versed with the latest developments in research. Keeping in the view of the importance of research in academics and its interdisciplinary nature, this Webinar on “New Perspectives and Innovative Approaches to Research” aims to explore basic dimensions of research and the concomitant need for participants to rethink about the assumptions that underlie historic paradigms of research. On the completion of the Webinar, participants are likely to have developed the conceptual background of research, skills to review the literature, design research problem and identify of research topics. The webinar will expose the participants to the interdisciplinary nature of the research.

The objective of the webinar is to develop research mindset and basic research skills. It will expose young students to the latest advances in various humanistic disciplines. It will provide the participants a platform for an intensive interaction with well known Academicians who possess rich experience in academics and working in top institutions of the country.

The webinar is designed mainly for PG students and young researchers in their early stage of research from different branches of Arts, Humanities and Social Sciences.

ARYA MAHILA P G COLLEGE, CHETGANJ, VARANASI

Arya Mahila P G College was founded and is managed by Shri Arya Mahila Hitakarini Mahaparishad. College was established in 1956 by the efforts of Smt.
