

Arya Mahila P.G. College, Varanasi

B.Ed. Department

Summary Report of

Lecture Organized by B.Ed. Department on the Topic “Perspective of National Curriculum Framework 2005”

B.Ed. Department Arya Mahila PG College Varanasi organised a one day lecture on the topic “Perspective of National Curriculum Framework 2005” on 6th September 2017 in the college auditorium. The speaker was Prof. B.K. Tripathi, Director, Inter University Center for Teacher Education. Prof. Tripathi throw a light on National Curriculum Framework 2005. He said that the Education System should be learner centered. Child is not a passive receiver of knowledge but he is an active participant in the construction of knowledge. He also said that Curriculum should be beyond the classroom Teaching. He emphasized on quality education for children and we should keep the background of the student in consideration to provide quality education. At the completion of the lecture an interaction took place between participants and speaker and participants satisfied their queries through questions. 84 participants were present in the lecture with College Principal Prof. Rachana Dubey and faculty members of the department. The organizer of this lecture was Dr. Kaushalenda Singh, anchor of the program was Dr. Vinita. A vote of thanks was given by Dr. Anita Agrawal at the end of the program.
