Research & Development Cell (RDC)

As per the UGC Guidelines Arya Mahila P. G. College established a Research & Development Cell (RDC) on 17.11.2022. The establishment of Research and Development cell (RDC) in the College will enable attainment of targets of Atma - Nirbhar Bharat (Self - Reliant India) and will play a pivotal role in catalyzing multidisciplinary/ transdisciplinary and traditional research culture as mandate in NEP-2020.

Vision

To put in place a robust mechanism for development and strengthening the research ecosystem within the college with the provisions of NEP-2020.

Mission

- To create a Conducive environment for enhanced research productivity.
- To encourage collaboration across industry, government, community-based organizations and agencies at the local, national and international levels.
- To facilitate greater access to research through mobilization of resources and funding.

Objectives

1. To create an organizational structure with role-based functions of RDC and formulate Research Policy for the College, identify thrust areas of research, and form related cluster groups/ frontline teams/consortia of researchers.
2. To create enabling provisions in Research Policies for recruitment of research personnel, procurement of equipment, and financial management with adequate autonomy to the Principal Investigator(s) and disseminate research outcomes to stakeholders and the public at large.
3. To establish a special purpose vehicle to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
4. To act as a liaison between researchers & relevant research funding agencies, extend guidance in preparation & submission of project proposals and post-sanctioning of the grants to oversee adherence to timelines.

5. To have better coordination among other cells/centers dealing with University-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).
6. To develop an Institutional Research Information System for sharing the status of ongoing/completed research projects / Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
7. To serve as nodal center for ideation and conceptualization of research topics/themes by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of bioethical committee wherever required.

The Research & Development Cell (RDC) of the College has the following nominated members -

Prof. Rachana Dubey (Principal)
Prof. Bhavana Trivedi (Chair Person of Cell)
Prof. Suchita Tripathi (Director)
