MACAY

ARYA MAHILA CHAPTER

To Whome It May Concern

This is to certify that SPIC MACAY chapter started in Arya Mahila PG College, Varanasi in the year 2010 and since then the college is regularly organizing the SPIC MACAY programmes including classical dance, instruments, vocal and Indian folk performed by great Indian international artists. The college has also participated in SPIC MACAY International, national, and state conventions in different parts of the country. The college students have participated in heritage tours also organized by SPIC MACAY.

The Arya Mahila PG College is always helpful to sensitise the youth to values enshrined in our tradition and culture which are generally accepted as those which enrich the quality of life.

SPIC MACAY looking forward for more programmes and cooperation from the college to conserve and promote awareness of the rich cultural tapestry of INDIA among the youth.
