About the FDP

Education is the light and learning is a path that always moves mankind on the right track. In the wake of technological advancement, the traditional “chalk & talk” method is transformed with innovative “e-Learning” techniques. In the epidemic situation like COVID-19, e-Learning has emerged as a vibrant mechanism in educational institutions especially in Higher Education throughout the world. It facilitates accessing and creating loads of e-Learning resources for academicians & scholars to improve knowledge & skills. For acquiring improved knowledge & skills, academicians & scholars need to continuously upgrade themselves by learning and training. This International FDP is aimed at sharpening the knowledge & skills of potential, new and experienced academicians, scholars and trainers all over the globe on e-Learning platform. The FDP will exclusively facilitate the participants to get engaged and improve their teaching-learning knowledge & skills to meet the everchanging dynamics in the academic world. Therefore, by adopting ICT for next generation as socially responsible leaders we hereby abide to the UGC Quality Mandate for improving the quality in Higher Education Institutions and therefore under the UGC guidance further are organizing an online International FDP referring point 5 and 6 of the notification

LEARN FROM HOME

With this ambition the Department of Commerce has taken initiative to organize online International FDP for Research scholars and Academicians for e-learning & development.

Objective of the International FDP

- 1- To learn about the various e-learning platforms available in higher education.
- 2- Enhance the quality of learning and teaching in the academician.
- 3- Meet the present and modern learning style or needs of students.
- 4- Improve the efficiency and effectiveness of learning through ITC.
- 5- Improve user-accessibility and time flexibility to engage learners in the learning process
